

5th INTERNATIONAL CONFERENCE

MTECH 2025

- FIRST CALL -

5th INTERNATIONAL CONFERENCE
ON MATERIALS

Heat Treatment and Surface Engineering,
Materials and Tribology, Corrosion and
Material Testing

Plitvička jezera, Hotel Jezero
October 26th – 29th, 2025

CONFERENCE TOPICS

- Materials and processes
- Materials characterization
- Nanomaterials and nanotechnology
- Friction, wear and lubrication
- Metallurgy
- Quenchants and quenching technology
- Coatings
- Advanced surface modification and coating technologies
- Vacuum heat treatment
- Heat treatment equipment
- Mathematical modelling and process simulation of heat treatment
- Corrosion and corrosion protection methods
- Corrosion resistant materials
- Non-destructive and destructive testing methods
- In-service inspection
- Certification and accreditation
- Measurement and quality assurance

SPONSORS & EXHIBITORS

Companies have the opportunity to present their activities and equipment or sponsor the Conference and its social events. Presentations in the form of a poster or exhibition booth are available. The companies that opt for sponsorship can include promotional material in the conference bag, show the company logo in the conference material and webpage, and present the company. All interested sponsors and exhibitors are welcome to contact the Organiser.

SCOPE OF THE CONFERENCE

5th INTERNATIONAL CONFERENCE ON MATERIALS Heat Treatment and Surface Engineering, Materials and Tribology, Corrosion and Material Testing will be held from **26th – 29th**, October 2025 in Plitvička jezera, Croatia. The official language of the conference is English.

The focus is on metallic alloys, but contributions on other materials (polymers, ceramics, composites) are also of interest to this conference. The aim of the conference is to bring together specialists in material science and to discuss the state of the art from both theoretical and practical viewpoints.

ACCOMMODATION

The MTECH 2025 will take place in the beautiful Plitvička jezera, located in the Plitvice Lakes National Park. The accommodation is provided in Hotels Jezero at special prices for the Conference. Hotel Jezero is located in the central zone of the Plitvice Lakes National Park, only 300 meters from Kozjak Lake.
